Affiliate Rewards Program

BetRewards generates high performing leads because it pays to use our affiliate links. BetRewards rewards users for setting up new accounts at our partner sites and being active on those partner sites. The model is quite simple ... BetRewards shares our commission payment from our affiliate partners with the very users that create those commission payments. It is time the users are rewarded for their efforts ... it is time that an affiliate site rewards the very users that create their revenue!

The publicly traded parent company has the goal to become a leader in the entertainment and gaming industry and intends to facilitate this by continuing with an aggressive Growth through Acquisition Strategy. VIP will continue to target strategic brands and platforms to add to its ever growing suite of products

DISCLAIMER AND CAUTIONARY STATEMENTS

This confidential business presentation (the "Presentation") has been prepared by VIP Entertainment ("VIP" or the "Company"). The Presentation is being provided by the Company for use by a limited number of parties that may be interested in the business of the Company.

The information set forth is considered confidential and is not intended for distribution.

This Presentation and the information contained herein shall not be copied, reproduced in any way or distributed, directly or indirectly, to others at any time. Upon request the recipient will promptly return to the Company all material received from the Company (including this Presentation) without retaining any copies thereof. All references to currency in this document are to Canadian dollars unless otherwise indicated.

Statements in this Presentation are made as of the date hereof unless stated otherwise and the delivery of this Presentation shall not under any circumstances create an implication that the information contained herein is correct as of any time subsequent to its date.

Certain statements contained in this Presentation may constitute forward-looking statements. These statements relate to future events or the Company's future performance. All statements, other than statements of historical fact, may be forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as "seek", "anticipate", "plan", "continue", "estimate", "expect", "may", "will", "project", "predict", "propose", "potential", "targeting", "intend", "could", "might", "should", "believe" and similar expressions. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Forward-looking statements are based upon the opinions and expectations of management of the Corporation as at the effective date of such statements and, in some cases, information supplied by third parties and publicly available information. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions and that information received from third parties and publicly available information is reliable, it can give no assurance that those expectations will prove to have been correct.

DISCLAIMER AND CAUTIONARY STATEMENTS

Forward-looking statements included in this Presentation should not be unduly relied upon as actual results may vary significantly. Unless required to be updated pursuant to securities laws, these statements speak only as of the date of this Presentation and are expressly qualified, in their entirety, by this cautionary statement.

In particular, this Presentation contains forward-looking statements, pertaining to the following: capital expenditure programs and future capital requirements; the proposed private placement; growth strategies and opportunities; treatment under governmental regulatory and taxation regimes; the availability of skilled personnel; and expectations regarding ability to raise capital.

With respect to forward-looking statements listed above and contained in this Presentation, the Company has made assumptions regarding, among other things: the continuing evaluation of the Company's strategic plan; operating margins, revenues and expenses; government priorities and funding levels; liquidity and resources to fund ongoing operations; the availability of skilled personnel; the legislative and regulatory environment; and the ability to obtain additional financing on satisfactory terms.

The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of the risk factors set forth below and elsewhere in this Presentation: funding levels, contracts and regulations; failure of systems to meet performance requirements; satellite failure; dependency on electronic systems including data corruption; failure to maintain technological advances and market positions; inadequate protection of the Company's intellectual property rights; exposure to foreign currency fluctuations; changes in economic and political conditions; inability of suppliers or subcontractors to effect technology transfer; failure to maintain business alliances; uncertainty in financing arrangements; insufficient insurance against material claims or losses; our status and stage of development; and general industry conditions.

The Company's plans and results could differ materially from those anticipated in these forward-looking statements as a result of these risk factors set forth above.

DISCLAIMER AND CAUTIONARY STATEMENTS

Although the Company believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because the Company can give no assurance that they will prove to be correct. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. Actual results could differ materially from those currently anticipated due to a number of factors and risks. These include, but are not limited to, the parties being unable to obtain the required approvals, the failure to complete the Financing on satisfactory terms, risks associated with the gaming industry in general, incorrect assessment of the value of acquisitions, failure to realize the benefits of acquisitions, constraint in the availability of services, and changes in legislation (including but not limited to tax laws. The Company cautions that current global uncertainty with respect to the spread of the COVID-19 virus and its effect on the broader global economy may have a significant negative effect on the Company. While the precise impact of the COVID-19 virus on the Company remains unknown, rapid spread of the COVID-19 virus may continue to have a material adverse effect on global economic activity, and may continue to result in volatility and disruption to global supply chains, operations, mobility of people and the financial markets, which could affect interest rates, credit ratings, credit risk, inflation, business, financial conditions, results of operations and other factors relevant to the Company.

Forward-looking information is based on current expectations, estimates and projections that involve a number of risks and uncertainties which could cause actual results to differ materially from those anticipated by the proposed management and described in the forward- looking information. The forward-looking information contained in this presentation is made as of the date hereof and the

proposed management undertakes no obligation to update publicly or revise any forward-looking information, whether as a result of new information, future events or otherwise, unless required by applicable securities laws. The forward-looking information contained in this presentation is expressly qualified by this cautionary statement.

DISCLAIMER AND CAUTIONARY STATEMENTS

FOFI Disclosure: This presentation contains future-oriented financial information and financial outlook information (collectively, "FOFI") about the Company's prospective results of operations, operating costs, capital structure and components thereof, including pro forma the completion of the Financing, all of which are subject to the same assumptions, risk factors, limitations and qualifications as set forth in the above paragraphs and the assumptions outlined in the Non-IFRS measures section below. FOFI contained in this presentation was approved by management as of the date of this presentation and was provided for the purpose of providing further information about the Company's anticipated future business operations. The Company disclaims any intention or obligation to update or revise any FOFI contained in this presentation, whether as a result of new information, future events or otherwise, unless required pursuant to applicable law. Readers

are cautioned that the FOFI contained in this presentation should not be used for purposes other than for which it is disclosed herein.
